

We are pleased to offer you a new service—the **Direct Giving Plan**. Now you can have your donation made automatically from your checking or savings account. Plus...you won't have to change your present banking relationship to take advantage of this service.

The Direct Giving Plan will help you in several ways!

- Make donating convenient and timely, even when you're out of town.
- Save time with fewer checks to write.

Sign up—it's easy!

Here's how the Direct Giving Plan works:

You authorize a monthly donation to be made from your checking or savings account, then just sit back and relax. Your donation will be made automatically on the first day of each month. Proof of your donation will appear on your bank statement.

The authority you give us to withdraw your donation from your account will remain in effect until you notify us in writing to terminate the authorization. If the amount of your donation or banking relationship changes, please notify us at least 10 days before the donation is to be made.

The Direct Giving Plan is dependable, flexible, convenient and easy. To take advantage of this service, complete the authorization form below and return it to us.
